Rijad Halili

ID: 1864774 | **Passport:** 274838 | **Date of birth:** 29/01/2004 |

Place of birth: Prishtina, Kosovo |

Nationality: Kosovar, Macedonian/citizen of the Republic of North Macedonia | **Gender:** Male |

Phone number: (+383) 48881774 (Mobile) | **Email address:** rijadhalilirh@gmail.com |

Address: Nuhi Berisha, 66, 10000, Prishtina, Kosovo (Home) |

Address: Dervish Cara, 20, 1000, Skopje, North Macedonia (North Macedonian Address)

ABOUT ME

Motivated and ambitious Computer Science student with strong foundations in software development, web technologies, and problem-solving. Experienced in both technical and real-world environments, including election management roles, customer-focused work, and international project collaboration. Winner of the Erasmus+ *Elegants* innovation competition (3rd place), with proven skills in teamwork, research, leadership, and creative solution design. **Currently working as an Intern at the Tax Administration of Kosovo, while also serving as Co-Founder of Blejta.xk**, an online product-reselling initiative where I am actively developing the business model and building the official e-commerce platform. Through this role, I am gaining hands-on experience in public sector operations, taxpayer communication, fieldwork, and administrative processes. In parallel, through Blejta.xk, I am developing practical skills in branding, digital sales, logistics, and full-stack web development.
Skilled in both frontend and backend development, with hands-on experience building practical projects such as an Expense Tracker web application (React.js & .NET Web API Core) and an E-commerce store (Angular & .NET Web API Core). Strong foundation in software documentation, having prepared multiple Software Engineering, Architecture, and Design documentations.
Beyond technical skills, I am also passionate about management, economics, finance, and marketing, where I enjoy combining analytical thinking with documentation and organizational planning. I am eager to contribute my skills to multidisciplinary teams, gain real-world experience, and continue developing both as a software professional and future entrepreneur.
Dedicated to continuous learning, improving digital skills, and applying technology to real-life challenges. Known for responsibility, communication, teamwork, and the ability to adapt quickly in diverse professional environments.

WORK EXPERIENCE

CO-FOUNDER & FULL-STACK DEVELOPER — BLEJTA.XK – SELF-EMPLOYED – 11/09/2025 – Current – PRISHTINA, KOSOVO

Business or Sector: Other service activities | **Department:** Clothing and Reselling |
Links : https://www.tiktok.com/@blejta.xk | https://www.instagram.com/blejta.xk

Co-founded Blejta.xk, an online reselling initiative focused primarily on clothing and other consumer goods.
Started operations by sourcing products, creating a small online presence, and testing early sales channels through social media and direct orders.
Currently developing the official Blejta.xk website, including product listings, cart flow, order management, and a clean, modern UI.
Working on the full business setup: branding, logistics planning, customer communication, packaging workflow, and basic inventory management.
Contributing to the website's architecture and features (still in progress), including:
- User authentication
- Admin dashboard
- Product upload system
- Simple analytics for tracking sales and traffic

Building the brand identity from scratch, logos, visuals, tone of communication, and marketing style.
Growing the project step-by-step with the goal of turning Blejta.xk into a fully functional ecommerce platform after launch.

INTERN & REPORTING ASSISTANT – TAX ADMINISTRATION OF KOSOVO – 02/02/2026 – Current – PRISHTINA, KOSOVO

Business or Sector: Administrative and support service activities | **Department:** Tax Administration | **Email:** info@atk-ks.org |
Website: https://www.atk-ks.org/en/

Identify and verify registered taxpayers operating within assigned areas
Distribute official taxpayer identification stickers at business premises

Communicate directly with taxpayers to provide clear guidance and institutional information
Perform fieldwork across Prishtina, ensuring proper display of taxpayer identification materials
Balance office-based administrative tasks with on-site field responsibilities
Maintain accurate records related to contacted businesses and completed distributions
Demonstrate professionalism, time management, and reliability while working full-time (08:00–16:00)

POLLING STATION COMMITTEE MEMBER – CENTRAL ELECTION COMMISSION OF KOSOVO – 10/10/2025 – 12/10/2025 – PRISHTINA, KOSOVO

Assisted in the organization and management of the polling station during election day.
Verified voter identities and ensured proper voter registration procedures.
Distributed ballots and provided clear instructions to voters.
Monitored the voting process to ensure fairness, transparency, and compliance with election regulations.
Recorded and reported voting data accurately.
Helped maintain order within the polling station and resolved minor issues during the voting process.
Cooperated with other committee members and election officials to ensure a smooth and efficient election day.

POLLING STATION COMMISSIONER – CENTRAL ELECTION COMMISSION OF KOSOVO – 08/11/2025 – 10/11/2025 – PRISHTINA, KOSOVO

Assisted in the organization and management of the polling station during election day.
Verified voter identities and ensured proper voter registration procedures.
Distributed ballots and provided clear instructions to voters.
Monitored the voting process to ensure fairness, transparency, and compliance with election regulations.
Recorded and reported voting data accurately.
Helped maintain order within the polling station and resolved minor issues during the voting process.
Cooperated with other committee members and election officials to ensure a smooth and efficient election day.

DRIVER OF TAXI – SHOFERI IM – 04/07/2025 – 04/08/2025 – PRISHTINA, KOSOVO

Transported passengers safely to their destinations while following all traffic laws and regulations.
Provided excellent customer service by assisting passengers with luggage and ensuring a comfortable ride.
Planned efficient routes using GPS and local knowledge to minimize travel time.
Maintained a clean, well-kept, and roadworthy vehicle at all times.
Handled payments, issued receipts, and managed daily cash balance accurately.
Ensured punctuality by responding quickly to ride requests and managing time effectively.
Assisted passengers with special needs and ensured their safety during boarding and transport.
Monitored vehicle performance and reported any mechanical issues promptly.

EDUCATION AND TRAINING

18/10/2022 – 13/09/2025 Prishtina, Kosovo
UNDERGRADUATE STUDENT University for Business and Technology

Software development: designing, coding, testing, and maintaining complex systems
Algorithms & data structures: efficient problem-solving using optimal data organization
Computer architecture & hardware: understanding low-level system operations
Operating systems: process management, memory, and concurrency control
Mathematical modeling & analysis: calculus, linear algebra, probability, and statistics
Networking & telecommunications: designing and maintaining network systems
Database management: relational modeling, querying, and optimization
Web & mobile development: building front-end, back-end, and mobile applications
Cybersecurity: cryptography, secure system design, and risk assessment
Embedded systems & robotics: integrating hardware with software for intelligent control
Graphics & multimedia: 3D modeling, rendering, and interactive visual systems
Artificial intelligence & machine learning: building predictive and intelligent models
Project management & teamwork: coordinating group projects and delivering results
Technical communication: writing research, documentation, and presenting ideas
Professional ethics & IT law: understanding legal and ethical issues in computing

Research & simulation: modeling systems, running simulations, and analyzing data
Lifelong learning: continuously adapting to new technologies and methodologies

Website https://www.ubt-uni.net/en/ubt-en/ | **Field of study** Computer Science and Engineering | **Final grade** 8.72 |

Level in EQF EQF level 6 | **National classification** 6 | **Type of credits** ECTS | **Number of credits** 162

01/03/2024 – 28/10/2024 Prishtina, Kosovo
3RD PLACE AWARD WINNER Erasmus+

Project Management & Leadership – planned, organized, and coordinated a complete innovation project from concept to presentation.
Team Collaboration – worked effectively within a multidisciplinary international team, sharing responsibilities and solving problems together.
Innovation & Creative Thinking – developed a unique AI-powered solution that improves accessibility for visually impaired individuals.
Research & Analysis – performed detailed research on accessibility, AI technologies, user needs, and cultural inclusion.
Business Planning – created a full business plan including SWOT analysis, value proposition, customer segmentation, revenue model, and cost structure.
Technical Problem-Solving – defined complex technical challenges and proposed realistic AI-based solutions involving audio, tactile feedback, and machine learning.
SWOT & Market Analysis – analyzed strengths, weaknesses, opportunities, threats, and explored market potential for innovative tech products.
Business Model Canvas Development – structured ideas into clear business components: value creation, resources, activities, partners, and customer segments.
Financial Planning – contributed to cost estimation, budgeting, and multi-year financial forecasting for the project.
Communication & Pitching – presented the project idea professionally in written form, demonstrating strong communication and storytelling skills.
User-Centered Design Awareness – understood the needs of visually impaired users and built an inclusive, accessible design approach.
Cross-Cultural Collaboration – worked within an international Erasmus+ environment, adapting to diverse backgrounds and perspectives.
Entrepreneurial Mindset – developed skills in innovation, product development, market strategy, and value creation.

27/05/2025 – 28/05/2025
DIGITAL AND MEDIA EDUCATION TRAINING Democracy Plus

Digital Literacy & Online Tools Proficiency – improved ability to use modern digital platforms for communication, collaboration, and productivity.
Online Safety & Digital Security Awareness – learned essential practices for protecting personal data, preventing cyber threats, and maintaining digital privacy.
Critical Thinking in the Digital Space – strengthened ability to identify misinformation, verify online content, and use reliable digital sources.
Digital Communication Skills – enhanced communication through digital platforms, including professional email etiquette and effective online collaboration.
Use of E-learning Platforms – gained experience working with educational tools such as Google Workspace, Microsoft 365, Learning Management Systems, and interactive teaching tools.
Content Creation & Digital Presentation – developed skills in creating digital content (presentations, visuals, documents) using modern tools.
Collaboration & Teamwork Online – practiced working in groups using digital tools, improving coordination in virtual environments.
Problem-Solving with Technology – learned how to use digital tools to solve practical tasks efficiently.
Digital Citizenship & Ethics – understood responsible online behavior, copyright rules, and ethical use of digital resources.
Basic Project Planning with Digital Tools – used online platforms to plan, organize, and present small projects

DRIVING LICENCE

Driving Licence: B | 19/10/2022 – 18/10/2032

HOBBIES AND INTERESTS

Social Media Management

I spend part of my free time managing and growing several social media pages. This hobby allows me to explore digital content creation, understand audience engagement, follow online trends, and communicate with different communities. It helps me stay creative, organized, and up-to-date with digital media.

Music

I enjoy writing music lyrics as a personal creative outlet. Through songwriting, I explore storytelling, emotions, and rhythm. This hobby helps me develop imaginative thinking, expressive writing, and a deeper understanding of music and creativity.

Sport

Walking is one of my favorite hobbies. It keeps me active, improves my focus, and gives me time to think and unwind from daily responsibilities.
